

AT ÉCOLE CHINOOK PARK SCHOOL WE CARE ABOUT EACH OTHER

OUR COMMUNITY

We all play a role in making school a positive learning space by showing kindness and a willingness to help one another. We respect each other's personal space and solve conflict using words and not violence. We ask an adult for help when needed.

OUR STAFF AND VOLUNTEERS

We have many adults working in our school including teachers, lunchroom supervisors, educational assistants, substitute teachers, secretaries, parent volunteers, custodians, administrators and guest speakers. We understand that they all play an important role in our community and we treat them with respect and kindness.

COMMUNICATION

Regular communication with the school is essential to educational progress. Teachers communicate through written messages brought home by the students, email or Google classroom. Please reach out to our teachers if you have any questions.

MEDICAL CONDITIONS

Please advise the school of any medical conditions.
